

# INTRODUCING THE NEW RE-USABLE RESPIMAT

Prepared by: Leanne Lew Hwui Ser [leannelew@ppukmm.ukm.edu.my](mailto:leannelew@ppukmm.ukm.edu.my)

## SPIRIVA RESPIMAT

### Active ingredient

Tiotropium Bromide

### Policy

A\*: Respiratory Physicians only  
(Special Formulary: RM10/Inhaler)

### Dose

Oral inhalation 2puffs once daily

## WHAT'S NEW?

✨ Spiriva Respimat is now **reusable** for a maximum count of **6 cartridges** per respimat.

✨ There is a **cartridge counter** on the respimat for patients to tick everytime a new cartridge is placed into it. This is to keep track of how many cartridges have been used with the device.

✨ A larger dose indicator:  
11-60 doses  
(white background) → 1-10 doses  
(yellow background) → Empty  
(red background)

## RESPIMAT VS RESPIMAT RE-USABLE

### WHAT STAYS THE SAME?

#### Same

Mouthpiece

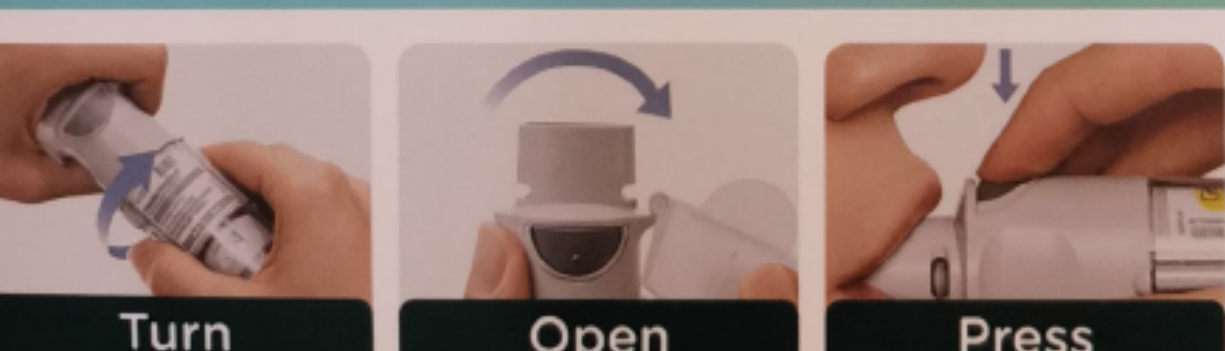

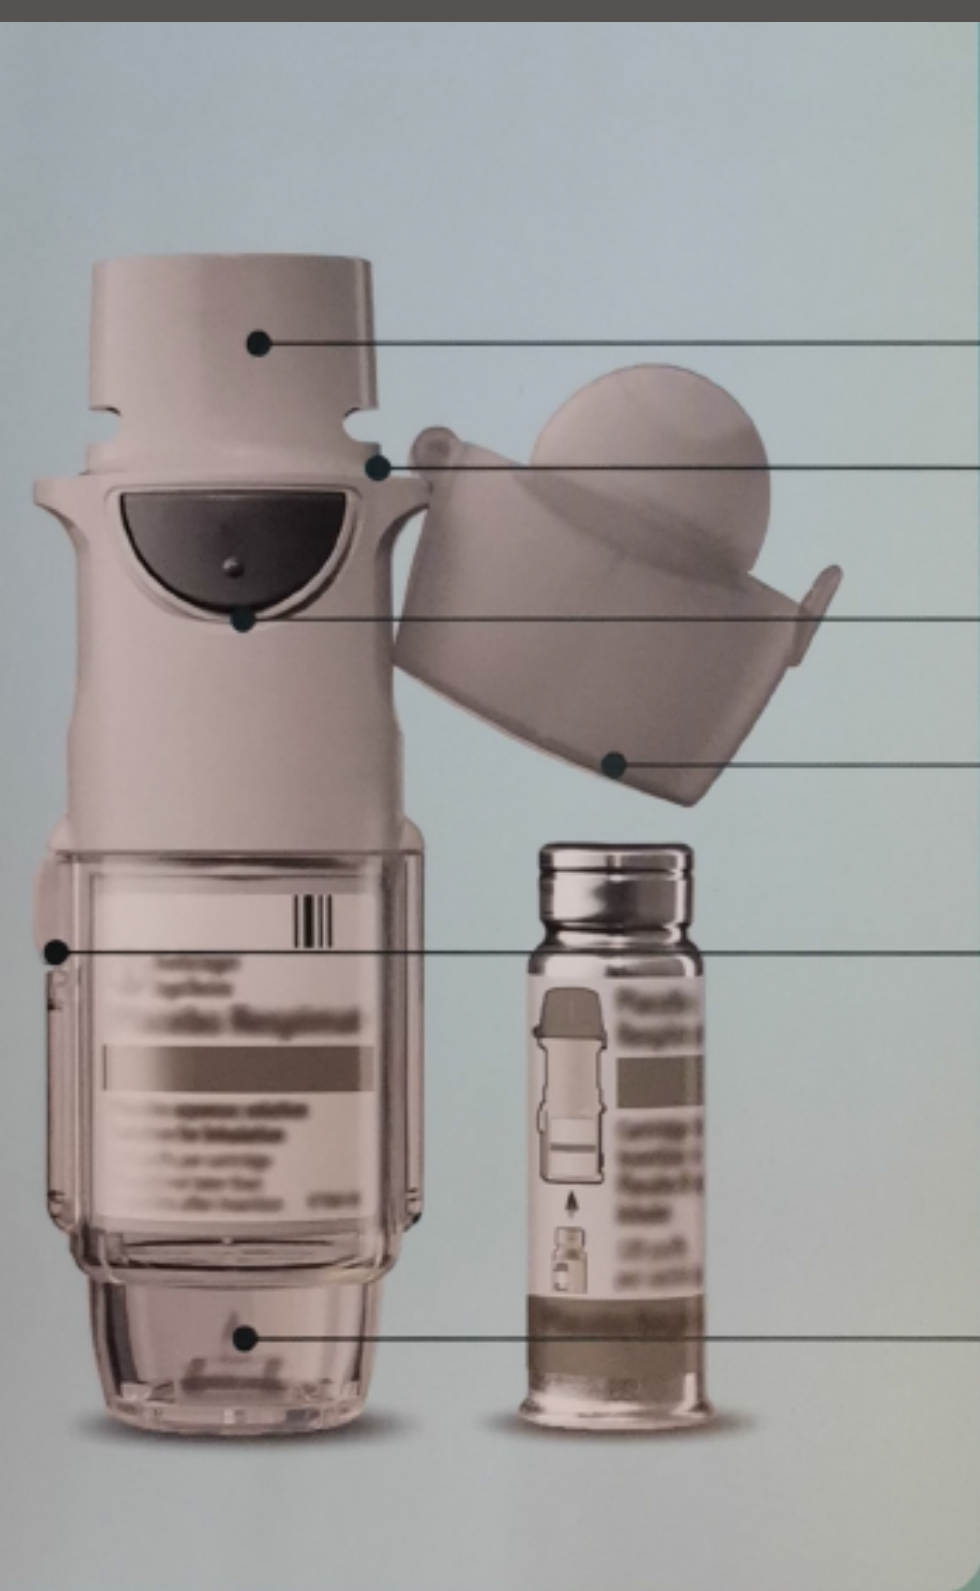

Air vents

Dose-release button

Cap

Safety catch

Clear base

Patients already  
know how it works:  
No changes  
in daily use

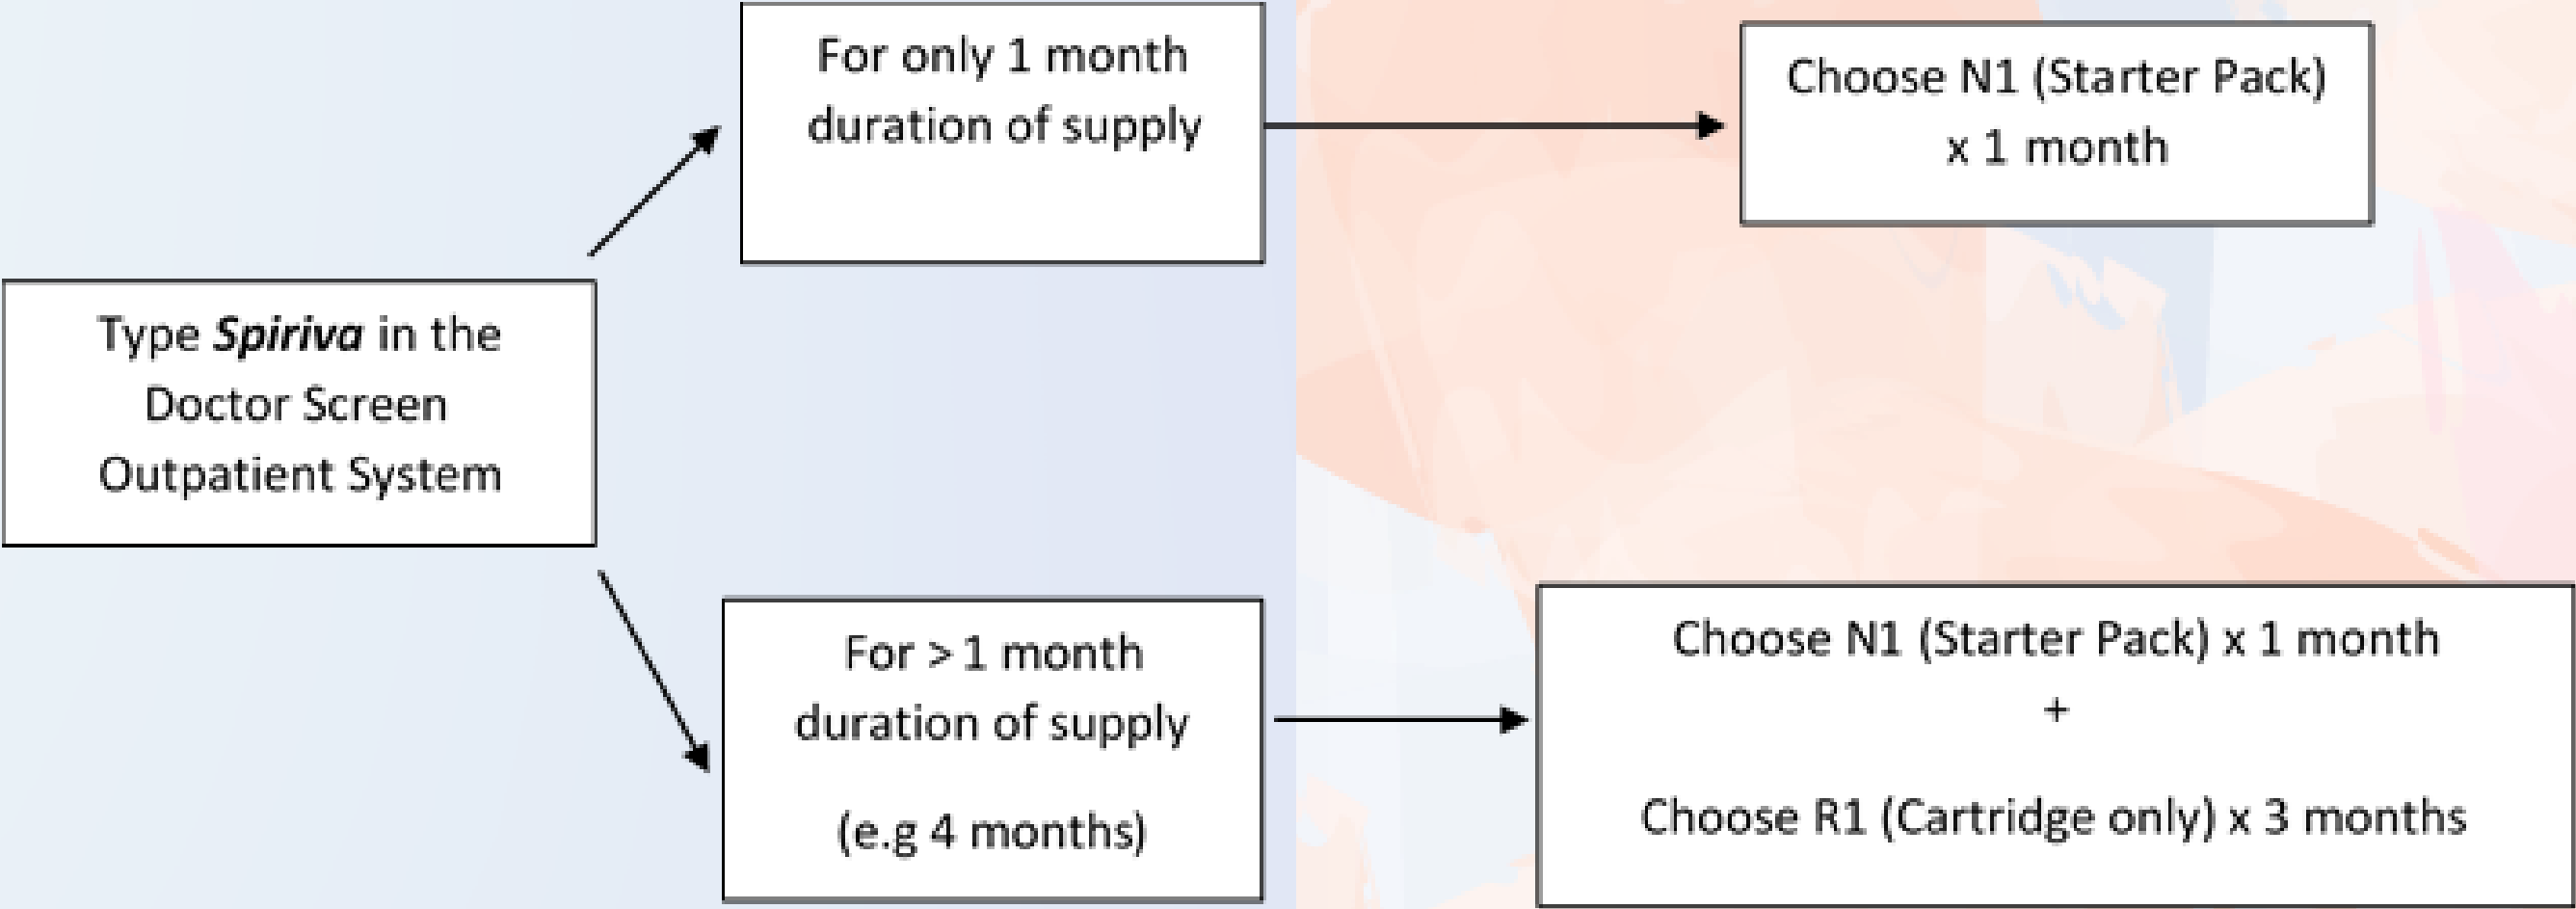

## REMEMBER...

- ✨ REuse the RESpimat
- ✨ REplace the cartridge up to 6 cartridges in total
- ✨ DO NOT DISPOSE of the Respimat

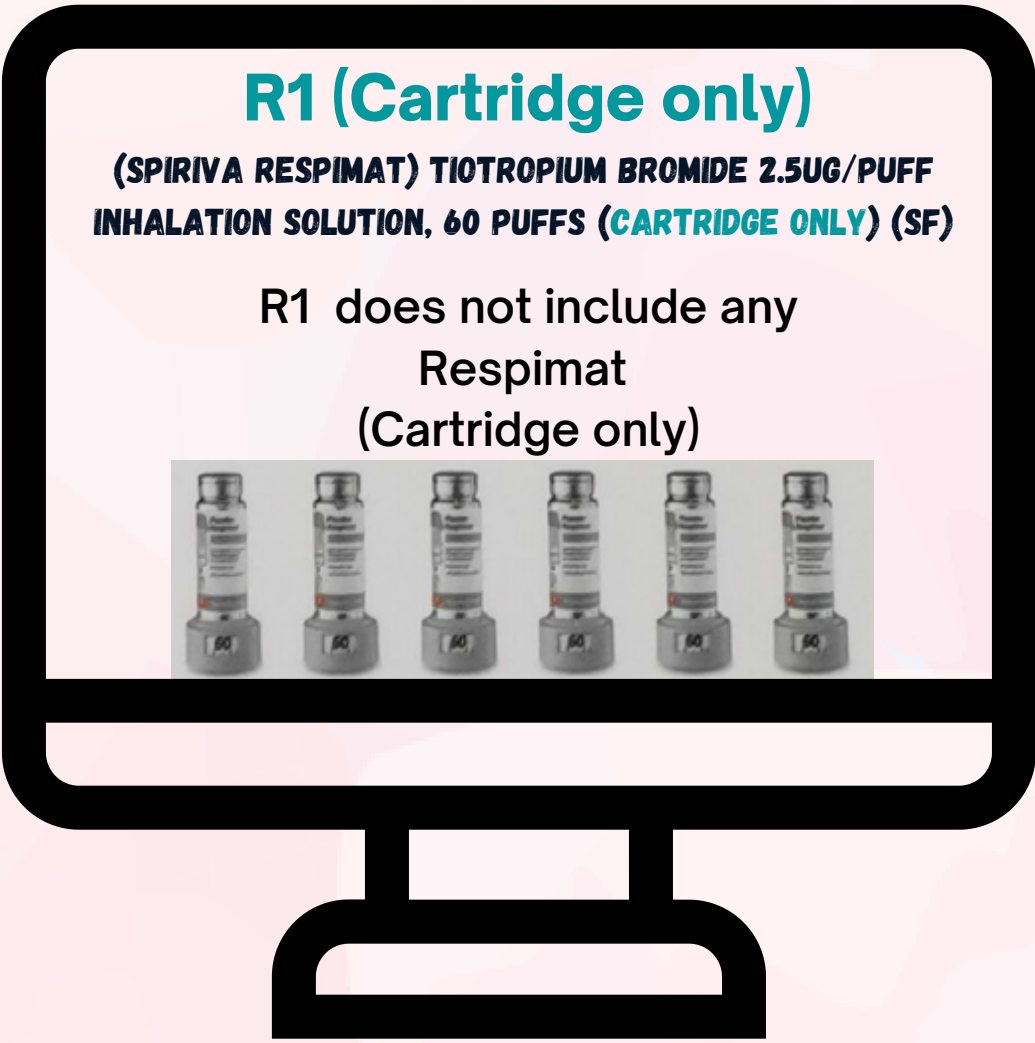

# HOW TO INDENT SPIRIVA RESPIMAT?
